To all participating academic institutions -

The Azrieli Foundation is proud to announce the **2nd annual call** for submission of applications for the Azrieli Faculty Fellowships at Israeli universities - תוכנית עמיתי עזריאלי לסגל אקדמי.

We are very pleased to announce that this year we have *doubled* the number of fellowships we are offering for faculty positions, granting **8 Faculty Fellowships per year**. Within three years we will support a steady state of 24 Azrieli Faculty Fellows.

As you will see in the Guidelines, we request that each university submit a specified number of applications, as follows:

1. In the fields of **Sciences and Technology** (referred to as S.T.) - Up to **4 applications** per university
2. In the fields of **Humanities, Education, and Social Sciences** (referred to as H.E.S.S.) – Up to **2 applications** per university.

Please refer to our updated website for information about our fellowships and application process. www.azrielifoundation.org/fellows.
